FISZER ATELIER 41
WARSZAWA

Letter of Recommendation

Konstanty Stajniak has been working for Fiszera Atelier 41 office in Warsaw since 2006 and is working for us so far. He collaborated in many projects and competitions – New Museum of Contemporary Art in Warsaw, surroundings of National Stadium for Euro 2012 in Warsaw, Park of Europe Council in Gdynia, New Office Building for National Polish Telecommunication, New Building for National Polish Bank PKO BP.

Konstanty showed great skills and knowledge in many aspects connected with our practice.

He is responsible, assiduous and ambitious person.

He has great interpersonal communication skills and very well collaborates with colleagues.

For these reasons we can give him with pleasure our recommendation.
